

Aline Heat Seal Corporation warrants its machine to the original purchaser, against defects in material and workmanship for a period of two years (8 hours/day, 5 day/week) from the date of original purchase and will at our option, replace or repair defective parts without charge for the first 90 days from the date of original purchase. Following the first 90 days from the original date of purchase Aline will, replace or repair any part found to be defective upon inspection by Aline. The purchaser will be responsible for freight. The purchaser will be responsible for labor after the first 90 days from the date of original purchase. This warranty does not apply in the event of misuse or abuse or failure by the user to maintain the machine in accordance with Aline instructions or as a result of unauthorized alterations or repairs. Damage occurring during transit is not covered by this warranty. No other warranty expressed or implied shall apply and in no event shall Aline Heat Seal Corporation be liable for consequential economic damage or consequential damage to property.
